* Lesson Plans

- **Active Listening Plan**

Students demonstrate good and poor listening skills with partners and listening to music from the concert.

- **Beethoven Tempo Plan**

Students are introduced to a metronome. They play tempo games and experiment with tempo markings to determine which creates the most expressive performance.

- **Heitzeg Tableau Plan**

Students make decisions to interpret the music for scenes that depict mood.

- **Mussorgsky Gallery Walk Plan**

In small groups, students visit centers where they discuss and share their opinions about the music. Students have the opportunity to speak about, write about and draw their thoughts and evaluation of the music.
